6. Bike Park Rabac

In 2017 Rabac and Istria will witness a start of unique development in its cycling offer.

**Bike Skills Park Rabac** will be the first dedicated MTB park in Croatia, placing Rabac on the world MTB resort map. Once completed it will feature MTB trails in different difficulty levels ranging from advanced Freeride and Enduro trails with jumps, bends and drops to easier Flow trails.

Bike park will also boast a special Skills parcours area with a network of single trails with technical elements and a pump track. This area is dedicated to training and learning MTB techniques and is suitable for users of all proficiency levels from beginners to advanced riders. Development is planned in 3 phases (2017-2019).
